

The Chairman,  
Nyanya Battalion Council.  
Sir,

### INVITATION TO ENROLLMENT SERVICE

On behalf of the boys and officers of The Boys' Brigade Nigeria, 11th Nyanya Company, NKST Nyanya, I write to invite the council EXCO to our enrollment service.

It is also of importance to inform you that based on the evolution of our church recently from a Consistory to a Classis, the church program for the year is very tight and the church leadership has merged our enrollment service with that of The Girls' Brigade to be done on the same day.

Following the financial constraint we have currently in the church and company this year, we look forward to only having the battalion leadership attend this enrollment service as we may not be able to host the entire council and its band section as before.

The enrollment services is scheduled to hold as follow;

#### A. Rehearsals

Saturday 12<sup>th</sup> April, 2025                      Time: 2:30 pm

#### B. Enrollment Service/ Launching for Sword

Sunday 13<sup>th</sup> April, 2025                      Time: 9:30 am prompt

We look forward in love and respect to your favourable response.

Remain Blessed.

Yours Faithfully,

Tersoo Ivase, Lt
