Prison barrack, Port
Harcourt, Rivers state.

EDUCATION

B.Tech. Agricultural and Environmental Engineering

RIVERS STATE UNIVERSITY

2016 - 2022

MOSAIC COLLEGE

RIVERS STATE.

2009 - 2014

Community Secondary School

ODAGWA, RIVERS STATE.

2015

SKILLS

Leadership 

Creativity 

Attention to detail 

Innovation 

Teamwork 

Curiosity 

PROFILE

As an innovative and detail-Oriented Agricultural and environmental engineer seeking to leverage opportunities in the engineering field, I can add immense value with my skills and abilities to define clear tasks while experiencing personal and professional growth in an entry-level position.

WORK EXPERIENCE

IBOM GREENHOUSE (NYSC)

2022 - 2023

- Worked as an agricultural engineer with various irrigation systems.
- Collected data for specific project goals and effectively carried out said projects through engineering strategies.
- Applied troubleshooting techniques where necessary.

PLAYZONE

2019 - 2022

- Offering customers helpful advice where necessary.
- Created interpersonal communication skills with customers while offering advice in an efficient manner.
- Attended to customers in an immediate manner.
- Implemented critical and active listening skills.
- Troubleshooting techniques where necessary.

RIVERS STATE MINISTRY OF ENVIRONMENT

2020 - 2021

- Determined chemicals needed for certain projects.
- Actively participated in ongoing and newer projects.
- Communicated effectively and efficiently with other engineers and scientists to carry out tasks.
- Hazardous waste management and data reporting
