ABOUT ME

Detail-oriented and highly organized professional with years of experience in data entry, social media management, and medical records management. Skilled in maintaining accuracy, efficiency, and confidentiality while handling sensitive information and driving digital engagement. Passionate about leveraging my expertise to support organizations in streamlining operations, enhancing online presence, and delivering exceptional service.

What I Bring to the Table:

- Data Entry Excellence: Proven ability to input, update, and manage large volumes of data with 100% accuracy. Proficient in tools like Microsoft Excel, Google Sheets, and database systems.
- Social Media Management: Expertise in creating and executing social media strategies to boost brand awareness, engagement, and growth. Skilled in content creation, scheduling, and analytics across platforms like Instagram, Facebook, LinkedIn, and Twitter.
- Medical Records Management: In-depth knowledge of maintaining and organizing medical records in compliance with HIPAA and other regulatory standards.
