## Curriculum Vitae

---

### OBJECTIVE

I am currently a second-year resident with a tremendous passion for the field of podiatry that has only continued to flourish throughout my time as a student and now surgical resident. Striving to become an accomplished podiatrist is one of my most sincere desires. I am seeking a professional opportunity that will enable me to continue to grow, impact and serve a diverse group of patients. With a special interest in sports medicine, trauma and diabetic limb salvage/reconstruction. My personal interests are spending time with family/friends, golf, basketball and newly acquired interest in snowboarding.

### EDUCATION

TOWER HEALTH SYSTEM READING HOSPITAL, PMSR/RRA – West Reading, Pennsylvania (2020-Present)
