Brand Designer

### PROFILE

A highly experienced Brand | UI/UX Designer with a proven track record of over 5+ years. Leveraging a combination of research, strategy, and design expertise, I specialize in assisting brands in uncovering, defining, and enhancing their brand experiences to establish strong connections with their core audience.

### EXPERIENCE

# Brand / Marketing Designer - Ikenga.io

April . 2023 - Present . Lagos, Nigeria (Remote)

As a brand/marketing designer, a tech company, i:

- Collaborating with the marketing team to create visually captivating and effective designs for social media ads and Google ads.
- Working closely with my team to develop game banners for the Bettybingo.ng website, aimed at attracting and retaining users.
- Meeting project deadlines and delivering design assets in a timely manner.
- Communicating and collaborating with cross-functional teams, including developers and content creators.

#### Freelance Brand Designer

2020 - Present . Lagos, Nigeria (Remote)

As a freelance brand designer, I have worked with diverse clients across various industries. My experience includes logo design, brand identity, brand strategy, art direction, print design, social media design, and event branding. I excel at creating impactful designs that align with clients' visions and effectively engage their target audiences. With a passion for branding and a keen eye for aesthetics, I am committed to delivering high-quality design solutions that leave a lasting impression.

#### Creative Director - TechVilla.ng

2019 - 2020 . Lagos, Nigeria (Remote)

As the Creative Director at Tech Villa, a design agency, my responsibilities included:

- Developing creative concepts and strategies for diverse brand iden tity and social media projects, such as Alliance Law Firm, Nolar Hair, and Tech Villa Brand Design.
- Providing clear direction and constructive feedback to the creative team, ensuring the consistency and quality of their work.
- Presenting and pitching creative ideas and solutions to clients, ef fectively communicating the value and impact of our designs.
- Creating compelling print designs tailored to meet clients' specific requirements and objectives.

#### Lead Graphic Designer (Contract) - Khris Graphics

2018 - 2019 . Lagos, Nigeria (Remote)

- Played a pivotal role as the sole graphic designer on the team, shaping the brand's messaging by creating and upholding the visual identity system and other essential brand assets.
- Designed and produced a diverse array of digital and print assets, encompassing logos, brochures, company profiles, social media graphics, packaging, and marketing materials.
- Collaborated closely with clients, project managers, and cross-functional team members, ensuring seamless coordination to meet project requirements, adhere to timelines, and stay within allocated budgets.
